THE FEAST OF PENTECOST

~ May 19, 2024 ~

Pentecost, the coming of the Holy Spirit,
calls up the image of wind that rushes,
flames that leap,
and disciples that are inspired to go out from
the upper room fearlessly.

Scripture tells us that this is the moment that gave birth to the Church.
Pentecost brings the Easter season to a grand and fiery close.
The Holy Spirit lavishes us with gifts which empower us as followers
of Jesus to take up his mission and make it ours.

**Wisdom, Understanding, Counsel, Fortitude,
Knowledge, Piety and Fear of the Lord**
are gifts which help us to continue Jesus' work in our world.

Pentecost is our Birthday.
As part of the Universal Church, the Community of Our Lady of Mercy
will celebrate being Church.

To acknowledge our oneness in the Spirit
all parishioners are asked to wear red on the Feast of Pentecost.

As included in our Mission Statement, may we be "empowered by the Holy Spirit
to live the values of Jesus in a prayerful, welcoming, and nurturing environment."

Mass at St. Stanislaus Kostka church, the first ethnic Polish Parish in the Diocese of Pittsburgh. In 1969, Pope John Paul II visited and offered prayers there, and commented on how beautiful the church was and how it reminded him of the churches in Poland.

A stop for lunch and shopping at the Strip District, a one-half square mile shopping district full of ethnic grocers, produce markets, bakeries, and sidewalk vendors.

Be sure and check out "Peace, Love and Little Donuts" – a fan favorite, with their "Groovy, Far Out and Funkadelic" flavors, frosting and toppings.

Also located in the Strip District and open for touring are:

The John Heinz History Museum, recently voted the #1 History Museum in America by USA Today's **Readers' Choice Awards**. Six floors of interactive exhibitions that feature iconic artifacts like the TV set from "Mister Rogers' Neighborhood", the world's oldest jeep, and the Western Pennsylvania Sports Museum.

St. Patrick Church, another of "The Shrines of Pittsburgh", is a small, historic church where the Holy Stairs or "Scala Sancta" are located. It consists of 28 stairs which are a replica of the originals at St. John Lateran Basilica in Rome. According to tradition, the Holy Stairs were the steps leading up to where Jesus was judged by Pontius Pilate during the Passion. They are meant to be ascended on the knees, with a prayer for each step. Those who wish to walk or who are unable to kneel can use a small side staircase.

With Gratitude: The parish is extremely grateful to the dedicated religious education teachers who made this past year such a success. Your prayer, witness and love of your students has had a profound impact on the youth of this parish. You will never know the effect of your ministry on the youth you taught, but God will nurture the seed you planted and produce fruit 30, 60 and 100 fold. Thank you for responding so generously to the invitation of God and to the need of this parish community.

All of us are richer because of your presence.

Invitation To Join the Catholic Family

Do you have questions about the Catholic faith? Have you thought about becoming a member of the Catholic Church? Would you like to explore the possibility of being baptized? Then come and join the members of the OCIA ministry.

Unbaptized adults or teens or those not raised in a Christian community are invited into a rich and powerful ministry of prayer, faith-sharing, learning and reflection. This one-year (or longer if desired) process allows participants to explore the teachings, practices and communal life of the Catholic Church so that individuals can make an honest decision about their faith journey. Because this process requires a full year, those considering baptism or acceptance into the Catholic Church next Easter would need to begin the process now.

Individuals raised and well-formed in a Christian denomination other than the Catholic Church are invited to explore the Catholic tradition and beliefs in a time-frame and context that best meets their needs. Full reception into the Catholic Church for those baptized and steeped in the Christian faith can take place when the individual and faith community discerns is appropriate.

Baptized adults who wish to celebrate the sacrament of Confirmation may also pursue the formation appropriate for this sacrament.

For more information, or to have your questions answered, contact Irene Lucas @ ilucas@ourladyofmercychurch.org or 814-899-6132, any member of the parish staff @ 814-899-5342 or speak with a member of this parish community. All members of our parish family are reminded that an invitation to a friend or relative can be the one word that was needed. Invite someone you love to join our Catholic family.

JELLY JAR RETURN

Have those jelly jars sitting around & you'd like to find a home for them? I'd LOVE to have them find their way back to my kitchen. Going to work to have a labeled box in the gathering space that you can return them to. If you've kept the ring with the jar, please just lightly screw it on and return with it. Always feel free to share a note (good or bad) on your experience with the jam or a flavor you'd love to see made available.

Thank you for your assistance in helping the church. WE were able to donate \$700. Although it isn't much, it is more than one of us alone had in their pocket to donate at one time. We must remember- Our job isn't to feed the 5000, but to provide the loaves & fishes.

Peace in Christ

2024 BABY BOTTLE FUNDRAISER

Women's 
Care Center

The Knights of Columbus in Erie and Crawford Counties are conducting our 3rd annual Baby Bottle Fundraiser. Your charitable donations thus far have enabled the Knights to purchase five state of the art Ultrasound Machines and a Mobile Ultrasound Clinic for the Women's Care Center of Erie. Since then, 661 babies have been born to women after they viewed their ultrasounds. They chose life for their babies even though they were originally abortion bound. The Women's Care Center is now facing a difficult crisis. For the past thirty years, the State of Pennsylvania allocated funds to organizations such as the Women's Care Center that promote childbirth as an option, rather than abortion by providing pregnancy and parenting support services. The current Governor of Pennsylvania made the decision to end this program. This has caused a significant loss of funding to our Women's Care Center's Erie locations that need our financial support more than ever. Baby bottles will be distributed at the church entrances on **Mother's Day weekend (May 11-12th)**. Please take one home and fill it with spare change, cash, or checks. Envelopes will also be available as an option to the Baby Bottles. The bottles and envelopes should be returned **Father's Day weekend (June 15-16th)** We thank you in advance for your kind generosity, and pray you will once again join us in our continuing efforts in saving the lives of the unborn.

**Below is a copy of the press release by the
Diocese of Erie Communications Office on April 11, 2024.**

Diocese of Erie announces restructuring for parishes in Erie County

Pastors and leaders from parishes in Erie County met with the Most Rev. Lawrence T. Persico, bishop of Erie, April 11 as he unveiled a new configuration of Catholic parishes for the county. Parishioners in the area have been awaiting the announcement since a preliminary plan was put forth Aug. 29, 2023.

The plan involves:

- Mergers, through which one parish community is absorbed into another;
- Partnerships, through which two or more parishes share one pastor;
- A combination of merger and partnership that involves one parish community being absorbed into another before partnering with a third parish, with whom it will share a pastor.

Each new situation involves a decree from Bishop Persico, all of which will go into effect July 9, 2024. Prior to that time, several clergy will need to be reassigned in order to align with the new configurations. Those announcements will be made later this spring.

Father Nicholas Rouch, vicar general, discussed the process for decision making. The decisions were driven by data, he said, including hard numbers such as Mass attendance, priest availability, church capacity, distances between churches and parish indebtedness.

"The data driving the decisions also includes information provided by over 1,100 individuals who submitted feedback in addition to official responses prayerfully offered by pastors after consulting parishioners and parish councils," he said. The plan also was discussed and refined with the diocesan-wide priest council on three separate occasions.

Father Rouch acknowledged the need for a review of Mass times in Erie County. He said there are obvious cases, such as situations in which one pastor will now be serving two partnered parishes, where decisions will have to be made quickly.

"But given all that will be unfolding in the next two months, with both parish restructuring and clergy assignments, out of respect for your emotional integrity and ours, we are going to wait a bit before taking that on across the county." He said a more comprehensive review of Mass times at all parishes in Erie County would be revisited when the dust settles.

"This is especially important to our brothers and sisters in other counties of the diocese, who depend on priests in the Erie area to provide coverage when they have to be out of town or fall ill," he said. "Right now we are very limited in what we can do in that situation."

In his remarks, Bishop Persico pointed out that he will ordain one man to the priesthood in May and two next spring.

"Then we will have three years with no priestly ordinations, a time during which 16 of our priests will reach retirement age, which is 75," he said, emphasizing the importance of implementing new parish configurations in order to lay the best possible foundation for the future.

Acknowledging that additional changes will be made in the future - ideally on a parish-by-parish basis rather than whole regions of the diocese - Bishop Persico offered a positive consideration.

"As we move into new configurations, we have an unexpected opportunity to renew our parishes, ensuring they are life-giving places of worship, places where people find encouragement and inspiration as they grow in their relationship with Christ, his church and each other," he said. "That is really the only goal we have. To grow in our faith. To grow closer to Christ. And to help each other along the way."

On the reverse side is a list of new parish configurations for Erie County parishes. Please note several distinctions:

A parish refers to a community of people, while a church refers to a building.

A parish can have secondary churches, with or without mission status.

A secondary mission church is permitted to have Mass on either Saturday evening or Sunday morning.

A secondary church (without mission status) does not have a weekend Mass, but is still available for weddings, funerals and in some cases, a weekday Mass.
