* If anyone would like to help me count on New Year's, Easter, or Christmas please let me know closer to those dates.

We are requested to make a carbon copy of the deposit slip and put it with the blue tally sheet each week.

Bank bag key is to be left in the counting room prior to going to the bank.
Take only the key for the deposit box when you go to the bank.
Please return key to church after the deposit.

If you have any questions, please contact Ginny Verb (899-8363) or Donna.

If for any reason you are unable to count, please switch
with another team. Your efforts are greatly appreciated!
